Team Amethyst

Thank you to Mrs Eatough for covering extra days for us in Team Amethyst this half term. After the February half term, Miss Herriot will be sharing the teaching of Team Amethyst with Ms Simons on Wednesday, Thursday and Fridays until further notice.

Team Marble

We are delighted that Mrs Winters is working with us this half term and ensuring that the children in Team Marble have a calm and productive working environment and are making excellent progress with their learning. Mrs Winters is a welcome addition to our Team Marble team, and will continue to work with us until Mrs Telfer returns.

Number Day

We had a fabulous Number Day supporting the NSPCC and making sure that all the maths we did was fun. There were some amazing costumes. We raised a grand total of £41 to support the invaluable work of the NSPCC.

School Day

The school bell goes at 9am and children are expected to be in the playground by this time ready to line up and make a calm and organised start to the school day. Supervision in the playground is from 8.45. Please make sure that children are arriving at school on time. Thank you.

Nursery Provision

Our nursery provision is now available for 2-year olds and 3- year olds as well as pre-school every Tuesday, Wednesday and Thursday. Wrap-around-care is also available. We have a number of children joining us, but if you know of anyone who would be interested in our nursery, please ask them to contact the school.

Coronavirus Advice from the Government – Advice for parents and guardians

You should not be unduly worried about the possibility of your children catching the Coronavirus.

There is no reason why your children should not continue to attend their early years, school or further education setting as normal.

We recognise that some families or children may be planning to travel to China during the forthcoming half term period. If so, please refer to the FCO's latest travel advice.

What action you can take

A UK wide campaign has been launched to provide clear advice on how to slow the spread of Coronavirus.

Please help to support the campaign which promotes basic hygiene practices, such as regularly washing hands and always sneezing into a tissue, to stem the spread of viruses.
