North Pens Writing Competition

Congratulations to everyone who took part in the North Pens writing competition. We had some lovely comment from the judges. Please see below:

Please thank, and congratulate, all of your pupils who entered the NorthPens Creative Writing Award this year.

We had more than 60 entries, which is fantastic. We very much enjoyed reading all of the poems and stories, and finding prize winners was extremely hard - they were all so creative, and individualistic. However, we have now completed the process. The first, second and third prize winners and the winners of the NorthPens special award in each age group will receive book tokens. All of the entrants will receive a certificate.

The winners were announced in assembly and the prizes will be awarded in due course.

We have a number of children joining us, but if you know of anyone who would be interested in our nursery, please ask them to contact the school.
