Tuesday 17<sup>th</sup> March 2020

Dear Parents and Carers,

We would like to update you on Frosterley School's response to the coronavirus outbreak in the light of the most recent advice.

Schools are currently remaining open, however:

- If anyone in the family has a new, persistent cough and/or a temperature the whole family must isolate for 14 days.
- If a child has a cough or a temperature at school they will be sent home immediately.
- We must emphasise the importance of good hygiene, thorough handwashing and coughing or sneezing into a tissue and then disposing of it.
- We are cancelling all trips and events at school. This means that there will be no Mothers' Day Lunch, no open Friday assembly and no Easter service as well as no trips or attendance at sports events and parents' evening.

We will continue to monitor the situation and update you as we know more.

We really appreciate your support to do all we can to ensure the safety of the children and the wider community.

Kind regards,

Mrs Carr and the staff team

Frosterley Primary School
