Coronavirus

We want to remind parents not to send their children into school if your child or anyone in your household has the below symptoms:

- A high temperature
- A cough
- A change in sense of taste or smell

If you, your child or anyone in your household has symptoms they should book a test.

Christmas Activities

We have had a busy week with a visit from the Follow the Donkey star donkey, the Christmas virtual Big Sing and the completion of filming our Christmas videos. Once they are all ready to view, we will send everyone the link and the password via email.

Looking forward to next week, we have Christmas lunch, parties and Christmas film day. Details of party days are in the diary at the end of the page.

Reporting Positive Covid 19 Tests – Christmas Holidays

If a child tests positive for Covid 19 in the first week of the holiday and developed symptoms on the Saturday or Sunday after school closed, please inform school using the office email address (at the top of this newsletter) so that we can inform anyone who has been in contact and help to reduce the risk of spread to others, especially, at a time when people might be mixing with vulnerable relatives in their Christmas bubbles.

Class Dojo and Class Email

Thank you to everyone for adapting to our new ways of working and we hope that if we do have to close a bubble, the children will now be confident using Class Dojo and Teams.

The class emails will not be monitored out of school hours or through the holiday period. If your communication is urgent, please address it to the school email address.

Just a polite reminder that the class email addresses and Dojo are not for casual communication with staff, they are a tool to support work. If you need to speak to a staff member, please telephone the school.

Childcare

Childcare will continue to be provided through breakfast and after school club in January. Please remember to book by the previous Friday. If you need care after the Christmas holiday, please could you confirm by lunchtime on Friday 18th.

Reminder – childcare is available for working parents. Activity clubs are not currently running.
