### Lunchtime Supervisor

We are delighted to welcome Paula O'Flaherty-Edworthy to our Frosterley team. Paula has been appointed as lunchtime supervisor and will support the children while they have their lunch and at playtime.

### Parent Pay

Everyone should receive a letter today about our new online payment system Parent Pay. Frosterley will be running a cashless office and all payments will be processed online. This will start straight after the Easter holiday. Please read the information in the attached letter and if you have any queries contact the school office. Thank you.

### Easter Egg Competition

This year we are asking children to decorate an egg with a history theme. This could be a character, an event, a place or artefact or anything else the children can think of. Please bring the egg to school on Wednesday, 28<sup>th</sup> March, labelled with your child's name, and they will be displayed in the church at our Easter service.

### Spelling Bee

On Thursday 8<sup>th</sup> March, we held our first ever 'Spelling Bee' competition. Pupils from EYFS to Year 6 rose to the challenge, taking turns to spell words. Each correct spelling earned a point for their team.

The results:

3 <sup>rd</sup> place	Blue Team	20 points
2 <sup>nd</sup> place	Yellow Team	21 points
1 <sup>st</sup> place	Red Team	25 points

Red Team had the highest score by the end of the competition and were declared the WINNERS!

This is what they had to say:

"I was very nervous. Some of the words were really difficult to spell. I felt proud being the captain of red team." AA

"At first, I felt nervous but as the competition went on, I felt more confident. I was happy when red team won!" FC

"I was excited, I thought the red team would do well and we did! We won!" JD

## Jango Starr Juggling Workshop

We had a fabulous juggling workshop for KS2 on Monday morning. It was lead by Jango Starr who had performed his show at the village hall the night before. The children really enjoyed learning new juggling skills and we were really impressed by how well they did.

Jango told us what fabulous children they are to work with. Thank you to Highlights Rural Touring Scheme who secured some grant funding towards the cost.
