Office

Sofia is 'on loan' to Stanhope Primary every Friday for the next few weeks. If you need to see her regarding office matters, please get in touch Monday – Thursday. Thank you.

Coats

Please could everyone bring a coat and a sun hat to school as the weather can vary throughout the day and we try to always go outside at playtime as well as for learning activities. Thank you.

Athletics Festival

On Wednesday 23rd May we went to an athletics festival at St John's Chapel. There was a javelin challenge, a hopscotch challenge and hurdles. James

The athletics festival was amazing. We did javelin and we jumped over the hurdles. We jumped in the ladder and we rolled the balls to the other person. We picked up the three balls and put them on the cone. We did hopscotch. Thailish

I was sporty, fit and amazing. We did lots of different activities. We ran, jogged, walked, jumped, threw, played and team worked. John

Cold-Blooded and Spineless Performance

On Wednesday 16th May we did a cold-blooded and spineless workshop. All of KS1 took part. First we learnt which animals were in our local habitat. Then we went on a scavenger hunt and hunted for minibeasts. We then made a den for our minibeasts. Last we made some homes for solitary bees and lacewing flies. James

We learnt about lots of insects, minibeasts, creepy crawlies and bugs. We saw a creepy crawlies show. They needed to finish their book so we helped them by building the countryside to give them ideas for what to do. We helped them write the chapters. They sent it to the post office and it will be in libraries. John

Brake Kids Walk

We are going to join in with The Brake Kids Walk on Wednesday 13th June. The walk is designed to raise awareness of road safety and also to raise money to support families who have lost someone in a road crash. The walk will take place in the school grounds. We are asking everyone for a small donation for the charity.

Weardale Action Partnership

Thank you to everyone who returned the forms for Weardale Action Partnership. A representative has also been in to school to speak to our school council about their thoughts and ideas.

Weardale Foodbank

A food bank will be starting on 29th May at St Thomas Church Hall Stanhope and will be available every Tuesday 12 to 1pm. Donations of non-perishable food and toiletries are requested. Church is open 10-4 for donations. You can contact Jo Haynes on 01388 517572.
