Malicious e-mail Sent to Schools

Many of you will be aware that a malicious e-mail was sent to a large number of schools across the country yesterday. We sought advice from the police and from the local authority who told us that it was not considered to be a credible threat and that we should continue as normal whilst remaining vigilant.

Sport Relief

Thank you to the School Council for organising our fundraising for Sport Relief last Friday. The children enjoyed all the activities and we raised a total of £109. Skate Park Consultation – a message from Wolsingham Parish Council

Wolsingham Parish Council are having a Consultation Day on 21st April, 10.00am - 4.00pm at the St Anne's Centre. Anyone from Weardale can come along at that time, see what is proposed, and tell us whether they would want us to create a skate park for the young people of Weardale.

As well as collecting opinions at this event, we have set up a survey which you may access between 28th March and 28th April at <https://www.surveymonkey.co.uk/r/wolsinghamskatepark>

It has 8 questions which will take 2-3 minutes to complete. It will be an important factor when we make our decision whether to proceed with the project. Any child/young person who is interested, and any adult, is welcome to complete the questionnaire.
