

## Newsletter 29.06.18

### Book Fair

Thank you to everyone who supported our Book Fair this year. We are delighted to say that the school were given £300 worth of books for the children to enjoy. This is a fabulous contribution to refreshing the reading books available in school.

### News from the children:

#### Play leader

The play leader festival was really fun. We showed how some games were played and demonstrated most of them. We taught team galena scatter ball, goalie, crocodile swamp, a warm up and lots of others. Nobody complained that it was boring. They all enjoyed the games even if they were out. Most of the games they all wanted to play again. Every one helped even if they weren't asked to.

Ruby Andrews

#### Games

Goalie:

Goalie is a game where you have 1 ball in the middle to start. Everyone stands in a circle with their legs apart. You have to push the ball through people legs.

Scatter ball:

Scatter ball is a game where you have 4 balls and there are 2 teams. You are not allowed to move until the batter hit all balls.

By Liam

#### Athletics

Two of our Year 6 children qualified for places at the second round of the athletics tournament last Friday. We are delighted to say that both Jessica and Aksels qualified for the County Finals event taking place today. Huge congratulations to both of them!

## Science Week

The children have been enjoying a fabulous Science Week with lots of exciting learning opportunities across the days. Look out for their reports on the next newsletter and the website blog.

## School Meals

Just a reminder that from September the price of a school meal will increase from £2.00 to £2.05.

## Wolsingham Holiday Club

We have been asked to inform parents that a holiday club is available at Wolsingham Primary School for some weeks of the summer holidays. If you would like details, please contact Wolsingham Primary School.
