Dear Parent/ Carers,

Welcome back everyone after our summer break. I hope you have all had a lovely break. As usual we have hit the ground running. Some of our Key Stage two children are going to Robinwood on Monday to Wednesday. This is a fantastic experience and I know they will all have great time meeting all the new challenges they will come across whilst there. Team 1 are going to the Railway Museum next week too and they have two new pets, Frank and Fang (guinea pigs). Team 3 go swimming starting September 15th then fortnightly after that.

Most information is, as we speak being put on the school website, timetables, curriculum plans for this term, homework and swimming dates. We have also put on our school's Local Offer. This concerns what our school has to offer children with SEN as there have been changes to this starting September 2014. Policies are also being updated in the next few weeks as well as information demonstrating what the children have been doing. The website will then be kept up to date and you will be able to check there for information you think you may have missed.

If any of your child's contact information has changed can you please inform Sofia and update her. We will be sending our EV forms which give permission to take your child out of school and this will now run the whole time they are in our school. You will also be sent out a home school agreement to sign and return. Please ensure these are returned promptly so as not preventing your child taking part in activities.

I am looking into after school provision we provide at the moment and would like your views. Please inform me of the time you would like breakfast club to start and the time after school clubs should end. I intend starting a mother and toddler group; please let me know if you are interested. During the holidays I would like to open the school up to provide childcare. Can you indicate if you would use this and the cost you are willing to pay for each hour so I can investigate the viability? Any other ideas will be considered.

After school clubs are on the back of this letter, High Five netball will be starting Tuesday for Team 2 and 3 children, this club is free, 3:30-4:30, and FISCH club will start on Thursday 15th and the children who can go to this have received their letter.

Yours sincerely,

Ms S Rogan

.....
Please tick if liked or cross if do not like.

I am interested in a mother and toddler group .

I would like breakfast club to start at..... and am willing to pay a slight increase in cost .

I would like after school clubs to finish at and am willing to pay a slight increase in cost .

I would use the provision if the school opened one or two day in the October holidays and two weeks in the summer holidays .

I am willing to pay £..... per hour for provision during holiday time.

Any other comments...
