Pop Up Castle

The team from Auckland Castle came into school last week with their 'pop up castle'. The children all took part in workshops and had the opportunity to sit on a throne and to wear chain mail! It was a great day and the children were really interested in all the artefacts and resources. Thank you to Miss Hemmingway for arranging the event.

Number Day

The children enjoyed NSPCC Number Day and all the fun activities organised by staff. Thank you to everyone who sent in a donation on the day. We raised a wonderful £33.

School Council News

The School Council have been busy choosing some new benches for the playground to make a quiet area for playtimes. The benches they have chosen have been made by Cornerstone at Willington and the children were really pleased to be able to support a local business which uses natural materials to make their products. We are looking forward to our new benches being delivered after half term.

Many thanks to Frosterley Helping Hands who provided the funding for the children to use.
