

Sport Premium 2013 - 2014

At Frosterley Community School, we believe that physical activity plays a vital part in promoting physical, emotional and social well-being. We want to promote healthy and active lifestyles and aim to provide new sporting opportunities for all our pupils.

From September 2013 the government has provided funding of £150 million per annum for the academic years 2013-14 and 2014-15 to support the delivery of PE and sport to primary schools across England. This funding is referred to as the sport premium and may be used to purchase high quality resources, professional development for staff and specially trained coaches to work with pupils and staff.

The amount of sport premium is based on the number of pupils attending the school.

The 2013-2014 sport premium for Frosterley Community School was £7200.

The money has been used to:

- Provide training to up-skill staff working with other small schools and their staff.
- Provide coaches to work with different age groups throughout the school.
- Take part in small school sport festivals.
- Pay for transport for pupils to attend sport festivals.
- Buy new programmes of work and guidance documents.
- Buy time to train a new PE co-ordinator.
- Renew PE equipment used during break times and lunch times.
- Buy new athletics equipment which enhances Sports Day.
- Buy new PE equipment such as Basketball nets, spot watches and ball sets.
- Buy a new sound centre for playing music during dance and gymnastic lessons.

The impact of 2013-2014 funding:

National Priority (7 Government priorities)	School Priority (Key actions identified to improve our provision)	Impact (The difference it has made or will make)	Evidence (Sign-posts to the sources of evidence)
1. Achieving high quality PE	Continue to improve staff knowledge and expertise	Enhanced, inclusive curriculum.	New PE Curriculum (Cycle 1) linked to core tasks.
		Increased staff knowledge and confidence.	CPD list with impact of training.
		Improved standards of teaching and learning.	Joint lesson observation HT and County Inspector with lesson observation reports.
2. Increasing Participation and Inclusion	Increase participation in after school clubs	Introduce new after school activity – Running Club	Regular attendance at running club monitored by register
		FISCH initiative	Spreadsheet showing participation in after school and out of school clubs.
3. Promoting health and active lifestyles	Increase emphasis on health and fitness. Pupils engage in more vigorous activities	Use 'Freddy Fit' activities to promote exercise and healthy eating	Pupil survey - attitudes to healthy eating and physical activity
		Improved cross-curricular links with Science and SMSC	New curriculum plans (Cycle 1) identify cross-curricular

		to promote healthy lifestyles	opportunities
4. Providing competitive school sport	Take part in competitive sports and festivals within and beyond the school	Increased % of pupils taking part in inter-school sports competitions. Provide transport to allow pupils to attend a wider variety of competitions and events	Increased participation All pupils (KS1 & KS2) have had the opportunity to take part in the sport festivals this year.
		Participation at school Sports Day to include a programme of competition	All pupils competed on Sports Day. Parents also engaged in the competitive spirit!
5. Developing leadership, the curriculum and subject profile	Subject leader to keep up to date with developments in Physical Education and share with staff in staff meetings.	Update school PE policy and guidelines in line with Durham County Council.	All staff received a copy of the updated policy
		Monitor the impact of the Sport Premium.	PE Action Plan reviewed and targets set for 2014-2015
6. Contributing to pupils overall achievement	Establish an assessment system so that staff and pupils have clear knowledge of pupils' achievements and their next steps.	Improved standards of achievement and progress.	Core task record sheets. Video evidence from lessons.
7. Developing partnerships	Build and sustain links within and beyond the cluster	Increased numbers of pupils attending sports clubs beyond the school	Pupils given flyers and leaflets about local sports activities and clubs. Take up rates evidenced through pupil survey
