Mission Statement

Frosterley Primary School is committed to learning that is engaging, inspiring and enjoyable and to learning that endeavours to ensure every individual reaches their full potential.

We aim for all to gain lifelong learning skills in a happy, secure, caring environment of mutual trust and respect.

We have a shared vision that everyone deserves the taste of success and the opportunity to develop skills for it.

We will prepare our children to be curious, autonomous learners, who aspire to develop inquisitiveness through a rich and varied curriculum appropriate to their individual needs.

Our children will flourish as learners in an environment where building skills for lifelong learning are embedded.

High expectations in the way they learn and achieve as well as the way they behave, this will equip our children with confidence and self-belief to develop a lifelong love of learning

Working in Partnership for Success

We all agree to live by our school values of
Respect, Kindness, Honesty, Equality and Love

Parents/Carers

The Learning Environment

As a Parent/Carer I will:

- In order to help my child gain the most of their education, make sure my child arrives at school by 9:00 am prepared to start their lessons. They will be wearing named school uniform or other suitable clothing and that their PE kit is brought into school at the beginning of each week and left in school. I will provide a swimming kit for each swimming lesson.
- Do my very best to provide a safe, secure and happy environment at home for my child, acknowledging that they learn at home.

A Healthy, Happy Community

As a Parent/Carer I will:

- Let the school know of any concerns or worries that may be affecting my child's learning, behaviour or ability to do homework, as this can then be resolved quickly.
- Support the school by encouraging my child to develop a positive attitude towards our diverse, multi-cultural community.
- Attend meetings with my child's teacher and other staff, aiming to be positive and productive, working towards moving my child on in their learning.
- Support and work with you to ensure that the behaviour management policies of the school are maintained, particularly with my child.
- Encourage a positive attitude towards my child's education and our school. If I have any concerns, I will come and discuss them with you as it is much healthier to work out solutions and move on.
- Read all information sent home as this gives me important details of relevant policies, meetings, workshops, activities, newsletters and open days.

Homework

- Please support the school by making sure that homework tasks are completed and returned on time.
- Please use your talents and experiences to enhance your child's learning at home. Your child will benefit greatly from what you can show them, discuss with them and teach them.
