Coronavirus

We want to remind parents not to send their children into school if your child or anyone in your household has the below symptoms:

- A high temperature
- A cough
- A change in sense of taste or smell

If you, your child or anyone in your household has symptoms they should book a test.

Remembrance

On Wednesday, children were learning about Remembrance Day and why it is so important. Key Stage 2 children produced some lovely thoughtful writing. At 11AM, the children took part in the two minutes silence in their bubbles.

Children in Need

The children enjoyed supporting Children in Need today and their activities in class. Thank you to everyone for supporting the day. If you would like to make a donation, please visit the ParentPay page. All money raised goes directly to Children in Need and helps to support projects for children across the country.

Parking

Just a reminder to park considerately outside school when dropping off and picking up and not to park on the chevrons. Thank you.

A Message from Frosterley Christmas Lights Group

“As you know, for the past two years, the Frosterley Christmas Lights Group have organised a Christmas tree decoration-making workshop at the school for all the children and a public switch on event on the village green where the children tied their decorations to the tree frame. As it’s not been possible to do that this year, the Christmas Lights Group, with the support of the Harehope Quarry Project, will shortly be delivering to school DIY decoration kits for the children to bring home (after they have been quarantined). The children are invited to tie the decorations they make on the tree frame on the green between 30 November and 5 December, prior to the lights being switched on at 5pm on Saturday 5 December.”

Awards

Our stars of the week for last week and this are:
