Easter Egg Competition

Mrs Telfer would like to thank all the children for the time and effort they took over their Egg decoration entries. Thank you for the generous donations, we have raised £73.50 and will put this towards new resources for the early years classroom.

The winners were Charlie Fidler, Lilly Blenkinsop and Adam Hall.

Runners up were Livia Engels, Josh Andrews and Matthew Oulton.

We will be continuing to raise funds, with a bake-off competition coming up during May half term. So get your recipes and aprons ready!

Parent Governor Elections

Thank you to everyone who took part in our parent governor elections. We are delighted to announce that Victoria Menzies and Karen Hall will be joining our Governing Body.

Intra-school competition

On the morning of Tuesday 27th April, we will be having a rounders competition in our bubbles, organised by our sports coaches. This means that children in Reception, Y1 and 2 and KS2 will be having rounders in the morning and PE in the afternoon. Please could everyone come to school dressed for outdoor PE and wearing suitable shoes. Thank you.

Covid 19 Testing and Lateral Flow Tests

How families can access LFD testing or home testing kits.

See below a list of the new testing sites, which are also community collect sites.

In line with the roadmap out of lockdown Durham County Council are now offering free LFD testing and home testing kits to residents in Weardale. Find out more and book appointments www.durham.gov.uk/CovidLFT

The new 14 LFD testing sites are below, all will be open for testing from Friday 15 April, these are all listed on the web page we are signposting to:
