News from Team Amethyst

In music, we have lots of different instruments to pick from to use, in different music lessons we also use guitars and keyboards.

In DT [Design Technology], we have been making a carousel and it has been very fun so far but we haven't finished it yet.

Rounders Festival

On Tuesday 27th of April, we did a rounders festival. It was really fun. We did it with a pe coach called James. For a warm up, we did a game of stuck in the mud. There was team 1 and team 2. It was great because we got to run around and some of the rounds to not get out we had to slide. My team lost by 1 and a half points. But it does not matter because we did it for fun. I do not mind if I don't win. By Seth

Code of Conduct

Alongside today's newsletter, please find Durham Local Authority's new parent code of conduct which is being adopted across Durham schools. Frosterley governors have discussed and approved the new code. If you require a paper copy, please contact the office.

Start of the Day

Just a reminder that children need to be in school at 9am for lessons starting. If children arrive late they can miss important teaching.

Stars of the Week

Pre- school

Alice – for great work on her letter sounds.
Charlie – for his excellent self-care skills.

Team Marble

Harley – for super reading.
Harry L – for great work adding large numbers and an excellent piece of homework.

Team Amethyst

James – for superb work in mental maths and great enthusiasm for the DT project.
Danni - for creating beautiful artwork in the style of Fred Fowle.
