Covid 19 Update

We have had a positive Covid case in Team Marble this week. The person is now self-isolating for 10 days. If your child is in Reception, Year1, 2 or 3, we have contacted you and asked you to get a PCR test and we have also passed details on to Track and Trace.

Just a reminder to everyone that if a child or another member of your family has Covid 19 symptoms, you should take a PCR test and isolate until a negative result has been returned. LFT tests are for asymptomatic testing only.

Covid 19 symptoms are currently listed as:

- Change in taste or smell
- High temperature
- Persistent cough

Plus linked to the Delta variant:

- Sore throat
- Runny nose
- Headache/aches and pains

Many thanks for supporting us to keep everyone safe.

Parking Outside School

We are very concerned for the safety of our children and parents due to unsafe parking outside school. We are expecting the "no parking zone" around the school entrance to be replaced, but in the meantime, **please do not park across or either side of the school gates.**

Please park considerately.

Walk if you are able to – some families park in the village and walk up to school.

Please turn your engine off when you are parked to reduce air pollution as people pass.

Thank you.

Sports Festivals and Competitions

We are delighted to have a full programme of sports festivals and competitions scheduled this year. Details will be shared as we approach each event.

After School Clubs

Please see below the table showing which activities are on which days. The charge remains £2.50 per session.

	Monday	Tuesday	Wednesday	Thursday
3.30 – 4.30	Homework Club	Sports Club	Free Choice Club	Science Club
4.30 – 5.30	Art Club	Craft Club	Computer Club	Lego Club

If a child is collected more than 10 minutes late at the end of the day, there will be a charge for after school care.

Stars of the Week

Pre- school

Georgie – for being really kind and helpful in her first week.

Team Marble

Finley – for settling so well into Reception and doing fantastic work in maths.

Team Amethyst

Gracie – for an excellent start to Year 5 and fantastic work across the curriculum.

Diary Dates

September

Monday 13th – Team Amethyst – Handball Festival
Team Amethyst GSK Science workshop – in school

Thursday 16th – Team Marble – Weardale Adventure Centre

Friday 16th – Team Amethyst – Weardale Adventure Centre

Friday 1st October at 2:45 – Macmillan Coffee and cakes – weather permitting
