<p>Design and make shield.</p> 	<p>Read a story with your grown up that has a dragon, castle or knights in it. Draw a picture to show an event in the story.</p> 	<p>Play eye spy using the sounds we have learnt so far (s, a, t, p, i, n) Can you find the sounds in a story book?</p>	<p>Design and make a crown for a King or a Queen.</p> 	<p>Create or find a short song about castles, knights, princesses or dragons. Perform it to the class.</p> 
<p>Cut some shapes out of paper - you could cut out some triangles, circles, squares and rectangles. Place the shapes onto a piece of paper to make a shape picture. You could make a castle, a knight or maybe a dragon! What shapes did you use?</p>	<p>Can you create a castle from junk modelling? Or you could draw or paint a castle instead.</p> 	<p>Draw or paint a picture of a dragon. What colours have you used? Can you give your dragon a name?</p> 	<p>Pick a castle that you have been to or would like to visit. Can you find out three interesting facts about it to share with the class?</p> 	<p>There were 4 flags at the top of a castle's walls. If 4 more flags were added, how many flags would there be altogether? Try drawing a picture to help you work out the answer.</p>
