Foodbank Collection

Thank you again to everyone who sent in donations for the foodbank for our Harvest Festival collection. Mrs Ford delivered 10 bags of food to the foodbank at Stanhope and they would like us to share their appreciation with everyone.

Small Electrical Recycling Scheme

Frosterley School are taking part in the small electrical recycling scheme. If you have any small appliances such as irons, phones, kettles, toasters, hairdryers, straightener, games equipment they can now be recycled through school. A leaflet will be sent home tonight with more details. There is also a competition to enter for anyone who has recycled an item.

We also have a battery recycling facility in school now. You can send in any used batteries and once we have filled the cylinder, they will be collected for recycling.

Durham Savers – North East Credit Union

The North East Credit Union has developed a new app which you can use to manage the money you have in the account – information attached.

We would also like to know if everyone would be interested in restarting the Durham Savers Club through school so that the children can save a regular amount of money again. Please email us if you would like us to restart the savings and if enough people are interested, we will organise a weekly collection day.

After School Clubs

Please see below the table showing which activities are on which days. The charge remains £2.50 per session.
