Replacement Boiler

The work to replace our boiler will continue through the half term holiday. The team are now fitting the new boiler. We hope to have our central heating up and running shortly after half term but we will advise you of any disruption expected in the week we return to school.

Thank you again for your patience and understanding during the replacement process.

Mambo Jambo Performance

Mambo Jambo!

On Wednesday 16th of February, as part of the Highlights Rural Touring Scheme, Mambo Jambo came into school and performed some music which made lots of noise! Pete and Frankie, who were a duet, played lots of instruments including the accordion, drums, steel pans, saxophone, clarinet and banjo.

First, we did body percussion using a simple rhythm pattern. Then they taught us a traditional sea shanty using 'call and response'. Pete and Frankie were very impressed with our singing. Finally, they told us about the different carnival instruments and we all played the claves. We made up a rhythm using the words, 'coconuts are nice, pineapple is nice'. We all joined in with the singing and dancing – just like a real carnival. It was great fun!

James and Seth

World Book Day

As we are at Beamish on the official World Book Day, we thought that we would celebrate it on Wednesday the Second of March.

Pupils can come to school dressed up as their favourite book character.

At any point during the day, we will be doing DEAR (Drop Everything And Read) so the children will need to have a book with them.

The day will start with a whole school assembly where the children will take part in a World Book Day quiz and there will be fun activities throughout the day.

After School Clubs – Spring Term

Please see below the table showing which activities are on which days. The charge remains £2.50 per session.

	Monday	Tuesday	Wednesday	Thursday
3.30 – 4.30	Homework Club	Sports Club	Free Choice Club	Design Club
