Father's Day Event

You are invited to join your child/children for our Father's Day event next Friday afternoon at 2 pm. If dad can't come, another special person is welcome to come along.

Come to the hall for a hotdog and tea/coffee/juice and if the weather is dry, some outdoor games.

We hope you can join us!

EYFS Area and Jubilee Garden

Thank you to everyone who has helped to revamp the EYFS area and transform the Jubilee Garden. Special thanks to Paula O'Flaherty-Edworthy and her husband who have made the garden beautiful and to Believe Housing who repaired and painted our fences, gates, shed and playhouse. Both areas look fantastic and the children are very excited to be using them.

Team Marble News!

We have been very busy the last couple of weeks in Team Marble. We have been busy researching The Rainforest and Space using non-fiction texts and the internet.

In Design Technology we had to design a 3 dimensional fabric animal. So we chose to make Rainforest Animal Sock Puppets.

First we researched our animal and drew our designs. We labelled these.

Then we listed all the equipment and materials we would need. This included wool for hair and buttons for eyes. Equipment included sharp scissors and the glue gun which we used with the teachers.

Finally we did a puppet show in the puppet theatre!

We evaluated our designs to consider what had worked well and what we would change next time.
That's all for now!

Written by: *William, Matthew, Roxanne, Riley-Mae, Georgia, Adam and Qwinton for Team Marble*

Sunderland Winter Gardens

The children in Team Marble had a very exciting trip to the Winter Gardens in Sunderland. There was more to do than they had time to fit in but thoroughly enjoyed their day and the workshop. It was a busy and exciting day and a few people had a snooze on the way back to school!

RSE/PHSCE Drop In

You are invited to drop in between 3.30 and 4 on Thursday 16th June to see some of the materials and approaches we use teaching Relationship and Sex Education and Personal, Social, Emotional and Citizenship Education at different stages throughout the school.

Small Electricals and Battery Recycling

Just a reminder that we have a small electricals recycling box in school. Please send in anything which no longer works and we will have them collected and recycled.

Stars of the Week

Pre-School

27.05.22 – Rubie – for an excellent performance at our Jubilee celebration.

10.06.22 – Eivin for settling well into Nursery and interacting with his new friends.

Team Marble

27.05.22 – Harry M – for a beautiful piece of work.

10.06.22 – Alice – for an excellent piece of independent writing about the trip to Sunderland Winter Gardens.

Team Amethyst

27.05.22 – Jamie – sang his first duet and was a whizz with technical support.

10.06.22 – Isabella – produced pleasing work in maths and English due to her focussed effort.
