Attendance

Good attendance is really important and makes a huge difference to outcomes for children at all stages of their school journey.

Being on time for the school day ensures a structured start and that children do not miss out on important social and learning time.

Please see attached a leaflet on attendance from the Durham Attendance Team.

Healthy Snacks and Packed Lunches

We teach the children about and encourage a healthy diet. We recognise that this is made of a balance of the different food groups and includes treats in moderation.

Just a reminder the children are welcome to bring a healthy snack to school for breaktime. This could be, for example, fresh or dried fruit, baked snacks or crackers and cheese.

We also encourage a packed lunch which contains a balance of foods including a small treat.

The Dales Partnership Facebook Page

The Facebook page shared by the schools is now up and running and you can see it by using the link below. We are updating it regularly with information and pictures showing what has been happening in school.

Take a look to see photographs of what the children have been doing so far this term.

Clubs

Please collect children via the side door in the car park.

Thank you to everyone who books clubs in advance. This helps us to know which children are expected or are staying in school and to organise refreshments and resources.

Please see below the table showing which activities are on which days. The charge remains £2.50 per session.

3.30 – 4.30	Homework Club	Sports Club	Dance Club	Design Club
