Half Term Holiday

We hope you all have a lovely half term and enjoy the good weather.

We look forward to seeing everyone on Monday 5th June for a bust second half of the summer term!

Visit from the Local MP

Richard Holden MP visited school last Friday and had a tour of the school with our School Council. He also met governors and then answered some excellent questions from the children in Team Amethyst.

Online Activity and Technology

In school we have strong filtering systems and always work with the children about online safety and appropriate behaviour online and using technology. If you need any support and advice to ensure that children are safe online, there are resources you can access.

Dogs on the School Premises

If you are bringing a dog on the school run, please remember to keep it under control. Dogs are not allowed on the playground or school field. Thank you.

Clubs for the Summer Term – Please pre book clubs by Friday for the following week. We might have to say no to late bookings depending on numbers of children and staff ratios.

Please see below the table showing which activities are on which days. The charge remains £2.50 per session.

	Monday	Tuesday	Wednesday	Thursday
3.30 – 4.30	Homework Club	Sports Club	Dance Club	Gardening Club
4.30 – 5.30	Art Club	Craft Club	Computer Club	Free Choice Club

We will always help out at short notice in an emergency.

Please remember that clubs finish at 4.30 and 5.30.

Small Electricals and Battery Recycling

Just a reminder that we have a small electricals recycling box in school. Please send in anything which no longer works and we will have them collected and recycled.

Stars of the Week

Pre-School

19.05.23 – Ezra, for his great behaviour and being kind to his friends.

26.05.23 – Luther, for settling well and learning about the life cycle of the caterpillar.

Team Marble

19.05.23 – Livia, because she was ready to learn consistently.

26.05.23 – Ewan, for his amazing writing and labelling parts of a tree.

Team Amethyst

19.05.23 – Qwinton, because of his thoughtful and insightful work especially in RE.

26.05.23 – Adam, for great effort learning his times tables ready for the multiplication check.

19.05.23 – Ben, for excellent standard and amount of work completed.

26.05.23 - Harry Dickson, for excellent contributions and class work.
